

Rock Your Body

Atozzio

Oh, oho, oh, oho, I'ma rock your

Oh, oho, oh, oho, I'ma rock your body

Oh, oho, oh, oho, yeah

Oh, oho, oh, oho, When I get you in this room girl I'ma flip your body like a gymnast

Put your legs around my neck girl I'ma turn this room into a kitchen

I'ma do those things that you never have done

I'ma show you things that you never seen on

Have you stuck on love that you been known that you ain't even missing, yeah

Kissing on (???) never touch

Letting you take it, kind of love

Leaving you shaking, is not enough

So I'll be your lullaby, yeah[Chorus:]

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

There's a lot of things in the world that can't pass that

Number one girl when it comes to sex

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night I'ma make you sweat up the sheets keep going till we're swimming

Don't worry bout your hair, in the morning we'll call a beautician

I'ma pull you back every time that you run

I'ma make you scream at the top of your lungs

You was talking that shit, one hit, now I got your ass addicted

Kissing on (???) never touch

Letting you take it, kind of love

Leaving you shaking, is not enough

So I'll be your lullaby, yeah[Chorus:]

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

There's a lot of things in the world that can't pass that

Number one girl when it comes to sex

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night Beauty I'm the beast, when I lay you on these sheets

I'ma put that ass to sleep, all night, all night

You the beauty I'm the beast, when I lay you on these sheets

I'ma put that ass to sleep, all night, all night[Chorus:]

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night

There's a lot of things in the world that can't pass that

Number one girl when it comes to sex

Girl I'ma rock, rock your body, rock, rock your body, all night, all night, all night.
