Direct Hit (Album)

Art Brut

You went out in a rush
And can't tell if it shows
She's looking over a lot
And he's still in his work clothesYou can't talk to members of the opposite sex
He starts to talk, they start to look perplexed
So with his eyes on the prize, and just a glance at her breasts
He walks over, and he saysIt's uncomfortable all night to sit
Get on the dance floor, it's a direct hit
Move around like your shoes don't fit
Get on the dance floor, it's a direct hit
Why is that cigarette unlit
Get on the dance floor, it's a direct hit
What's wrong? Scared to commit?
Get on the dance floor, it's a direct hitHer friends are leaving,
She decides she's not going
She's been looking over a lot
And hopes it's been showingShe can't talk to members of the opposite sex
She starts to talk, they start to look perplexed
So with her eyes on the prize, and just a glance at her breasts
She goes over, and she says:It's uncomfortable all night to sit
Get on the dance floor, it's a direct hit
Move around like your shoes don't fit
Get on the dance floor, it's a direct hit
What's wrong? Scared to commit?
Get on the dance floor, it's a direct hit
I don't care that your friends have split
Get on the dance floor, it's a direct hitHere comes the really good bit
Get on the dance floor, it's a direct hit
Move around like your shoes don't fit
Get on the dance floor, it's a direct hit
It's uncomfortable all night to sit
Get on the dance floor, it's a direct hit
Why is that cigarette unlit
Get on the dance floor, it's a direct hitI don't care that your friends have split
Get on the dance floor, it's a direct hit
Move around like your shoes don't fit
Get on the dance floor, it's a direct hit
What's wrong? Scared to commit?
Get on the dance floor, it's a direct hit

It's uncomfortable all night to sit
Get on the dance floor, it's a direct hitHit, hit, direct hit
Hit, hit, direct hit
Hit, hit, direct hit
Hit, hit, direct hit
