

All My Love

[Cliff Richard](#)

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine

All my love, thrown away after all this time
Now there's no place for me in the future you see

I don't understand you

I've done all I can do

Tell me how could I give you more

More than all my love

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine

All my love, thrown away after all this time
Now there's no place for me in the future you see

I don't understand you

I've done all I can do

Tell me how could I give you more

More than all my love

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine

All my love, thrown away after all this time
Now there's no place for me in the future you see

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine
