

# Limes

## Brad Paisley

Ainâ€™t gotta have everything in your life  
Going exactly right to party  
Maybe the opposite, things are a mess  
And thatâ€™s the best time to burn it down  
You look around here and you see all these people  
You think their lives are perfect, huh, hardly  
Now I donâ€™t have all the answers but Iâ€™ll tell you  
The one thing Iâ€™ve found

### Chorus

You take it all with a grain of salt  
And realize sometimes it ainâ€™t your fault  
You got something you donâ€™t want to remember  
Thatâ€™s when you need to just throw it in a blender  
And have a good time  
Now add tequila  
When life gives you limes  
You make margaritas

Now I donâ€™t know if youâ€™re the type  
That sees the glass thatâ€™s half full or half empty  
But Iâ€™ve got an idea how â€™bout I never let you get that low  
Whatever is done is done, the night is young  
Let's have some fun, are you with me  
And try to forget the sh... that hit the fan  
The only way that I know

### Repeat Chorus

Have a good time  
Now add tequila  
Youâ€™re gonna be  
Youâ€™re gonna be just fine  
When life gives you limes  
You make margaritas
