I Know I Know

Sondre Lerche

Dawn
Got up pretty early
I sing songs
I try to get attention
Get it wrong
She knows I'm never lonely
She goes on and she says, "Why don't you come baby"Hey now
I know we could beat them
Oh I, I know, I know, we could be like that, sweet babyA beach
Trying to unfold
But all is bleached
Compared to how things used to be
I said I'd catch her
Now she's out of reach
Still she says, "Why don't you come, baby"Hey now
I know I'd love to beat them
Oh I, I know, I know we could be that happy, baby
Sweet babyYou have come to be alone
I never knew what time it was
I see a world out thereNow
Too young to adapt
And to know how to make it how I Wanted it to be
Too old to walk around in small cities
Cause I know that wouldn't work, babyHey now
I know I'd love to beat them
Oh I, I know, I know we could like that, sweet baby
Sweet baby
