

Ska Diddy (Featuring Angelo Moore)

Slightly Stoopid

Baby don't move too quick just move your hands and feet
Because you know we got to get moving on
Baby don't do just weak 'cause we can't be beaten
You know you gotta keep on feeling strong So won't you do with me funky lady
Don't leave me on a boat again
So won't you do with me funky lady
You know we wanna ska again Don't need no reason for my moving jaws
Don't need no reason why we overload
So here she comes
So here she comes
So here she comes
So here she comes Mexicano, San Diego, Colorado , Oregon
