

Saint And Sinner

Kiss

Getting off this carousel, you can do as you please
You go to hell, you put my back against the wall
Well, I'm not gonna fall on my knees, no, not at all
So you're a saint, I'm a sinner but deuces are wild
Better wake up, it's break up, I ain't got the time
So you can kiss my heart, bye bye
Next to you I feel I'm all alone, love's turned to stone
Oh, yeah, cross my heart and hope to cry
Well, I'm not gonna die without you it's aces high
So you're a saint, I'm a sinner but deuces are wild
Better wake up, it's break up, I ain't got the time
So baby, you can kiss my heart, bye bye
Bye bye, babe
Kiss my heart bye bye

You missed my heart this time around
Kiss my heart bye bye
And I don't need no one at all, no
There's no right and there's no wrong and I'm moving on
I'll go it alone because love's turned to stone
So you're a saint, I'm a sinner but deuces are wild
Better wake up, it's break up, I ain't got the time
So baby, you can kiss my heart, bye bye
So bye bye, babe, bye bye, babe
No, I'm not gonna die cross my heart and hope to cry
No, no, no, no, I'm not gonna die, so bye, bye, bye, babe
Well, I'm not gonna die without you, babe
No, I'm not gonna die
