

Barcelona Loves You

I'm from Barcelona

We never wanna say goodnight
We never wanna say it's time
We never wanna close our eyes
We never wanna say goodnight There's a thing left to say before we go
We will sing that we're all in love with you
There's a thing left to say before we go
We will sing that we're all in love with you We never wanna say goodnight
We never wanna say it's time
We never wanna close our eyes
We never wanna say goodnight There's a thing left to say before we go
We will sing that we're all in love with you
There's a thing left to say before we go
We will sing that we're all in love with you It's alright, it's alright
It's alright
It's alright, it's alright
It's alright
