

You Give Good Love

Demetria McKinney

I found out, what I've been missing
Always on the run
I've been looking for someone
Now you're here like you've been before and you know just what I need
It took some time for me to see
That you give good love to me, baby
So good, take this heart of mine into your hands
You give good love to me
You give good love to me
Never too much will never be (too much)
Baby you give good love
Never stopping, I was always searching
For that perfect love
The kind that girls like me dream of
Now you're here like you've been before and you know just what I need
It took some time for me to see
That you give good love to me, baby
So good, take this heart of mine into your hands
You give good love to me
You give good love to me
Never too much will never be (too much)
Baby you give good love
While I, I can't stop looking around
It not what this was all about
Our love is here to stay, to stay
Baby you give good love to me
You give good love to me
Never to much will never be
So good, take this heart of mine into your hands
You give good love to me
You give good love to me
Never to much will never be (never too much)
Baby, baby no, no you give good love to me
You give good to me
You give good love baby
You give good love darling
You give good love baby
You give good love honey
You give good love baby

You give good love darling

You give, you give baby

You give good love
