

# What Can I Do?

## [Link 80](#)

i feel like i'm the only one that doesn't wear a mask  
and no matter how hard i try i'll still come in last  
people always try to tell me down where i should go  
suit and tie, ball and chain  
i just don't know  
those same people try to tell me what i should do,  
but i'm a step ahead and they don't have a clue  
they're taking their insecurities out on me  
closing themselves in and they don't even see  
what can i do (bout 7 times...)  
it's up to me  
when i look back and i can still see myself,  
i remember being alone and how pathetic i felt  
they told me what to do and just fell in line  
followed all those rules  
and i got left behind  
what can i do (bout 7 times...)  
it's up to me
