

# Tears (feat. Louisa Johnson) [Wideboys Remix]

## Clean Bandit

I tried hard to make you want me  
But we're not supposed to be  
And the truth will always haunt me  
Even though it set me free  
And my tears flow like the ocean  
As they floated in the breeze  
They were falling in slow motion  
And they brought me to my knees Oh, you're haunting me, taunting me all in my brain  
Turn off the light and now all that remains  
Fills me with doubt  
And I'm shouting your name out loud  
Why do you wanna put me through the pain?  
I get the feeling I'll never escape  
I can't hide away from the shame of you Tears on the ground, tears on my pillow  
You won't bring me down  
And I'll get over you  
These tears will get me through  
And I'll get over you I'll, I'll, I'll get over you  
I'll, I'll, oh yeah  
I'll, I'll, I'll get over you  
I'll, I'll, I'll get over you When did you lose your emotion?  
When did you become so cruel?  
And if you want to cut me open  
Says a thousands words 'bout you  
And in time I know you'll leave me  
Like a distant memory  
I know love can be so easy  
If I start by loving me, oh You're haunting me, taunting me all in my brain  
Turn off the light and now all that remains  
Fills me with doubt  
And I'm shouting your name out loud  
Why do you wanna put me through the pain?  
I get the feeling I'll never escape  
I can't hide away from the shame of you Oh, tears on the ground, tears on my pillow  
You won't bring me down  
And I'll get over you  
Oh yeah, woah, I'll get over you  
Woah, tears on the ground, rain at my window  
The pain washes out

And I'll get over you  
These tears will get me through  
And I'll get over you I'll get over you  
I'll, I'll, I'll get over you  
I'll, I'll get over you  
I don't need you to call me tonight  
(I'll get over you)  
I don't need you to see me if I'm alright  
(I'll get over you)  
You left me, so leave me, I'm fine  
I'll be here getting on with my life Tears on the ground, tears on my pillow  
You won't bring me down, I'll get over you  
Rain at my window  
The pain washes out  
I'll get over you  
Woah, tears on the ground, rain at my window  
The pain washes out  
And I'll get over you  
Oh yeah, I'll get over you I'll get over  
I'll get over you
