

# Come On Get Higher (live)

## Sugarland

I miss the sound of your voice  
I miss the rush of your skin  
I miss the still of silence  
As you breathe out and I breathe in

If I could walk on water  
If I could tell you what's next  
Make you believe  
Make you forget

[Chorus: x2]  
Come on get higher  
Loosen my lips  
Faith and desire  
And the swing of your hips  
Just pull me down hard  
And drown me in love

I miss the sound of your voice  
The loudest thing in my head  
And I ache to remember  
All the violent, sweet, perfect words that you said

If I could walk on water  
If I could tell you what's next  
Make you believe  
Make you forget

[Chorus: x2]

I feel the pull of your heart  
I taste the sparks on your tongue  
I see angels and devils and God when you come on  
Hold on

Hold on, hold on, hold on, yeah

Sing sha lalala  
(sha lalala)  
Sing sha lalala

(Aha lalala)  
Sing sha lalala  
(Aha lalala keep it going)  
Sing sha lalala  
(Come on get higher loosen my lips faith and desire)  
Sing sha lalala  
(And the swing of your hips just pull me down hard and drown me in love)  
Sing sha lalala  
(Come on get higher loosen my lips faith and desire)  
Sing shalalala  
(And the swing of your hips just pull me down hard and drown me in love)  
Sing sha lalala

[Chorus: x2]

Drown me in love  
Drown me in love  
Drown me in love

Because everything works in your arms
