

# Crazier

## Kids Party Music Players

I've never gone with the wind  
Just let it flow  
Let it take me where it wants to go  
Till you open the door  
There's so much more  
I've never seen it before  
I was trying to fly  
But I couldn't find wings  
Then you came along  
And you changed everything  
You lift my feet off the ground  
Spin me around  
You make me crazier, crazier  
Feels like I'm falling and I  
I'm lost in your eyes  
You make me crazier,  
Crazier, crazier  
Watched from a distance as you  
Made life your own  
Every sky was your own kind of blue  
And I wanted to know  
How that would feel

And you made it so real  
You showed me something that I couldn't see  
You opened my eyes and you made me believe  
You lift my feet off the ground'  
Spin me around  
You make me crazier, crazier  
Feels like I'm falling and I  
I'm lost in your eyes  
You make me crazier,  
Crazier, crazier,  
ohh.....

Baby, you showed me what living is for  
I don't want to hide anymore..... more....  
You lift my feet off the ground,  
spin me around  
You make me crazier, crazier

Feels like I'm falling and I  
I'm lost in your eyes  
You make me crazier,  
Crazier, crazier  
Crazier, crazier
