

# Paying Attention

[Ashley Monroe](#)

I'm paying attention so give me a sign  
You're all that I'm seeing, now that you are not mine  
I'm paying attention to you  
Oh now, I'm paying attention to you It's snowing in April, yeah the winters are long  
I remembered your birthday, now that you're gone  
I'm paying attention to you  
Oh now, I'm paying attention to you He's standing beside me, he's holding my hand  
I see his lips moving but I don't understand  
'Cause I'm paying attention to you  
Oh now, I'm paying attention to you You promised I'd miss you when you walked away  
You were right when you told me I'd be sorry someday  
Well, I'm paying attention to you  
Oh now, I'm paying attention to you  
I'm paying attention so give me a sign  
You're all that I'm seeing, now that you're not mine  
I'm paying attention to you  
Oh now, I'm paying attention to you
