Don't Tell Me How It Ends

Penguin Prison

And it hurts a little bit but I know my fate
It was broken into bits but it's all I saved
I was joking when I said that I can't be fake
But it hurts a little bit putting on my faceAnd I'll see you again
Don't tell me how it ends
When I meet you again
We'll talk about it thenAnd it hurts a little bit but it's not too late
To take all you ever said back and get it straight
And I saw you in a maze like a dead end wait
If it hurts a little bit then it's not too late
On my way all my life all I ever find
On my way all my life all I ever tried
