

# Blueberry Hill

## Jimmy Smith

I found my thrill  
On Blueberry Hill  
On Blueberry Hill  
When I found youThe moon stood still  
    On Blueberry Hill  
    And lingered until  
My dream came trueThe wind in the willow played  
    Love's sweet melody  
    But all of those vows you made  
    Were never to beThough we're apart  
        You're part of me still  
        For you were my thrill  
On Blueberry HillThe wind in the willow played  
    Love's sweet melody  
    But all of those vows you made  
    Were never to beThough we're apart  
        You're part of me still  
        For you were my thrill  
        On Blueberry Hill
