

Iâ€™ll See You Again

Mario Lanza

I'll see you again
When ever spring breaks through again
Time may lie heavy between
But what has been
is past forgetting
This sweet memory
Across the years
Will come to me
Though my world may go awry
In my heart will ever lie
Just an echo of a sigh
GoodbyeAll my life I shall remember knowing you
All the pleasure I have found in showing you
The different ways
That one may phrase
The changing light
And changing shade
Happiness that must die
Melodies that must fly
Memories that must fade
Dusty and forgotten by and byI'll see you again
When ever spring breaks through again
Time may lie heavy between
But what has been
is past forgetting
This sweet memory
Across the years
Will come to me
Though my world may go awry
In my heart will ever lie
Just an echo of a sigh
Goodbye
