As you are now
I don't see you ever again
Gold hair and lightning

This storm ends and I don't see you
Gold hair and lightning

Gold hair and lightning
As you are now
I don't see you ever again

Gold hair and lightning
I don't see you

Gold hair and lightning
I don't see you

Gold hair and lightning
I don't see you

Gold hair and lightning
This storm ends and I don't see you
Gold hair and lightning
