

What Would Happen

[Meredith Brooks](#)

Electricity, eye to eye
Hey, don't I know you, I can't speak
Stripped my senses on the spot
I've never been defenseless
I can't even make sense of this
You speak and I don't hear a word
What would happen if we kissed?
Would your tongue slip past my lips?
Would you run away, would you stay
Or would I melt into you?
Mouth to mouth, lust to lust
Spontaneously combust
The room is spinning out of control
Act like you didn't notice, brushed my hand
Forbidden fruit, ring on my finger
You're such a moral, moral man
You throw it away, no question
Will I pretend I'm innocent?
What would happen if we kissed?
Would your tongue slip past my lips?
Would you run away, would you stay
Or would I melt into you?
Mouth to mouth, lust to lust
Spontaneously combust
What would happen if we kissed?
I struggle with myself again
Quickly the walls are crumbling
Don't know if I can turn away
What would happen if we kissed?
Would your tongue slip past my lips?
Would you run away, would you stay
Or would I melt into you?
Mouth to mouth if we kissed
Would your tongue slip past my lips?
Would you run away, would you stay
Or would I melt into you?
Mouth to mouth if we kissed, if we kissed
