

# Candy Darling

**Daniel Ash**

Fell in love with herself  
Couldn't really fall for anyone else  
Now I can't that I blame her  
No, I won't say that I blame her  
For taking just one more look But the saddest thing, I have to say it  
There's no one that can ever stay so strong  
And that is why she had to die  
Candy darling, so long  
Candy darling, so long
