

I Will Love You

Fisher

'Til my body is dust
'Til my soul is no more
I will love you, love you 'Til the sun starts to cry
And the moon turns to rust
I will love you, love you But I need to know
Will you stay for all time?
Forever and a day And I need to know
Will you stay for all time?
Forever and a day Then I'll give my heart
'Til the end of all time
Forever and a day 'Til the storms fill my eyes
And we touch the last time
I will love you, love you I will love you, love you
I will love you, love you
