

Drifting Blues

Chuck Berry

Well, I'm driftin' and driftin' like a ship out on the sea

Yes, I'm driftin' and driftin' like a ship out on the sea

Ah, you know I ain't got nobody in this world to care for me Ah, if my baby would only take me back again

Mm, if my baby would only take me back again

Well, you know I ain't good for nothin', darlin', and I haven't got a friend Please come back, baby, baby, please
come back home

Please come back home, baby, baby, please come back home

I wanna show you just how much I love you, and how it feels to be alone
