

# waiting

**Evan Taubenfeld**

Time is running out  
you know I've gotta leave  
You're holdin on so tight  
that I can hardly breatheAll I wanna do  
and what I try to say  
is we can make it through  
But then you tell meI will wait for you forever  
don't be gone too long  
'cause we're hanging on  
like we always do  
When it all goes wrongI remember that I'm  
lucky that I found you  
and after all that that we say and do  
I think you know it's true  
that I will be waitingthat I will be waiting tooThe clock keeps ticking on  
but I'll be coming soon  
I'm counting every minute  
down cause I miss youI'll be there for you forever  
Hanging on like we always do  
when it all goes wrong  
I remember that I'm lucky that I found youAnd after all that we say and do  
I think you know it's true  
that I'll be waitingI will be waiting toocause we're hanging on like we always do  
when it all goes wrong I remember that I'm lucky that I've found you  
after all that we say and do  
I think you know it's true  
that I'll be waitingI'll be waiting I'll be waiting for you  
(I'll be waiting)  
I'll be waiting for you  
(I'll be waiting)  
I'll be waiting I'll be waiting for you for you
