

Savoir Faire

Willy DeVille

That pig needs a warning
We're out for blood
Take down and jangle
The cross ornament It's not the one we asked for
It's not the one we need Savoir faire
Savoir faire Slammed to the pavement
Chopped up for feed
Strangled in an alley
Steam on, steam on It's not the one we asked for
It's not the one we need Savoir faire
Savoir faire Savoir faire
Savoir faire Oh
Oh Savoir faire
Savoir faire Savoir faire
Savoir faire Savoir faire
Savoir faire
