Everybody Loves Jill

Cowboy Mouth

Everybody loves Jill (x2)
She's got a red heart
She wears on her red sleeve
She drinks her red wine
With her favorite red cheeseChorus:
Everybody loves Jill
And that's why
Everybody loves Jill
Everybody loves JillShe's got a red house
To go with her red boatShe's got a red dress
That she wears with her red coat
ChorusSometimes the whole wide world demands her
Even the people who can't stand her
She drives a red car
Rides in a red hat
She's got a red door
Plays with her red cat
That lights up her red room
She's got a red light
She eats her red cake
With my favorite red spoonChorusEverybody loves Jill
(I love Jill)
Everybody loves Jill
(I know I do)
(I love Jill)
(I know you do)Everbody loves Jill
