

# Cover Girl

## Big Time Rush

I don't know why you always get so insecure  
I wish you could see what I see when you're looking in the mirror  
And why won't you believe me when I say  
That to me you get more beautiful, everyday When you're looking at the magazines  
And thinking that you'll never measure up  
You're wrong 'Cause you're my cover, cover girl  
I think you're a superstar, yeah you are  
Why don't you know  
Yeah, you're so pretty that it hurts  
It's what's underneath your skin  
The beauty that shines within  
You're the only one that rocks my world  
My cover girl  
Oh, my cover girl, oh You walk in rain-boots on a perfect summer day  
Somehow you always see the dark side, when everything's okay  
And you wear baggy clothes that camouflage your shape  
Whoa, but you know that I love you, just the way you're made  
When you're looking at the magazines  
And thinking that you're just not good enough  
You're so wrong, baby 'Cause you're my cover, cover girl  
I think you're a superstar, yeah you are  
Why don't you know  
Yeah, you're so pretty that it hurts  
It's what's underneath your skin  
The beauty that shines within  
You're the only one that rocks my world  
My cover girl You've got a heart of gold, a perfect original  
Wish you would stop being so hard on yourself for once  
And when I see that face  
I'd try a thousand ways  
I would do anything to make you smile 'Cause you're my cover, cover girl  
I think you're a superstar, yeah you are  
Why don't you know  
Yeah, you're so pretty that it hurts  
It's what's underneath your skin  
The beauty that shines within  
You're the only one that rocks my world  
My cover girl  
Oh whoa oh oh oh, my cover girl

Oh whoa oh oh oh, my cover girlWhoa oh, my cover girl  
Whoa oh, my cover girl
