

# Hey Baby (Drop It To The Floor)

Pitbull; T-Pain

Mr. Worldwide  
So listen up  
Let it go  
La, la, la  
If your girl wanna play, let her go, so let her go  
(La, la, la)  
If your girl wanna play, let her go, so let her go  
(La, la, la)  
If your girl wanna play, let her go, so let her go  
(La, la, la)  
If your girl wanna play, let her go  
Hey baby girl, what you doin' tonight?  
I wanna see what you got in store  
Hey baby, givin' it your all when you're dancin' on me  
I wanna see if you give me some more  
Hey baby, you can be my girl, I can be your man  
And we can pump this jam however you want  
Hey baby, pump it from the side, bend it upside down  
Or we can pump it from the back to the front  
Hey baby  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh, drop it to the floor, make you wanna say it  
Yeah, you can shake some more, make you wanna sing it  
Ooh, you got it because you make me wanna say, hey baby  
Don't stop it, I want you tonight  
I'm a Dade County  
Self-paid, self-made millionaire  
I used to play around the world  
Now I'm around the world, gettin' paid  
Girl problems, no problems  
Don't hate the game, that won't solve 'em  
I wanna get wit' ya, mami  
Now let me see where the lord split ya  
Hey baby girl, what you doin' tonight?  
I wanna see what you got in store

Hey baby, givin' it you all when you're dancin' on me

I wanna see if you can give me some more

Hey baby, you can be my girl I can be your man

And we can pump this jam however you want

Hey baby, pump it from the side bend it upside down

Or we can pump it from the back to the front

Hey baby

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh, drop it to the floor, make me wanna say it

Yeah, you can shake some more, make me wanna sing it

Ooh, you got it 'cause you make me wanna say it

Yeah, don't stop it, 'cause you make me wanna say it

Made money, make money

This Chico right here, gotta eat, baby

If you scared of money, don't make money

That's how it goes in the street, baby

But enough about the nonsense

Baby girl, take a shock to your conscious

Not a goon or a goblin, I'm a monster

'Cause I hit all the baddest women in the world, gangster

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Hey, hey baby

Ooh, drop it to the floor, make me wanna say it

Yeah, you can shake some more, make me wanna sing it

Ooh, you got it 'cause you make me wanna say it

Don't stop it, 'cause you make me wanna say it

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh baby, baby, la, la, la, la, la, la

Ooh, drop it to the floor, make me wanna say it

Yeah, you can shake some more, make me wanna sing it

Ooh, you got it 'cause you make me wanna say it

Don't stop it, I want you tonight
