

Midnight at KOKO

Fake Club

Just another suicide,
Lord know the ladies cried.
Notrogen and dirty knees,
We're all making love in balconies.Midnight at KOKO,
You get where you got to go.
Midnight at KOKO,
Oh no.Plastic cups and pony tails,
You got bad boys biting finger nails,
And we'll sleep inside the glitter ball,
Spin it til the celing falls.Midnight at KOKO,
You get where you got to go.
Midnight at KOKO,
Oh no.If you wanna dance then we're gunna dance,
Everybody get up and dance with me.Cos I'll love you til the lights come on,
Wont you scream until I scream along.
I lost you drowning in her eyes,
Dirty lips and 'snake bites'.Midnight at KOKO,
You get where you got to go.
Midnight at KOKO,
Oh no.
