Bye-Bye

SunSet Swish

We can't even be friends 'cause every time I see you
We be doing things that we should not be doing 'cause boy
You got a girlfriend, girlfriend, even though the sex is so damn good
I feel so bad, gotta try my best to resist it
What am I doing here? That's what I ask myself
'Cause every time I see my face in the mirror
I see me and you and someone else
Now, your love, it gets me high and I don't wanna
Let you go but I got to say bye-bye, baby
Now, your love it gets me high and I don't wanna
Let you go but I got to say bye-bye, bye baby
We can't even hang out 'cause boy, the more we kick it
The more I feel like this is not what it's all about
Boy, you're already taken, taken and although I love you
I hate the fact that she is with you while I play the kickstand
What am I doing here? That's what I ask myself
'Cause every time I see my face in the mirror
I see me and you and someone else
Now, your love, it gets me high and I don't wanna
Let you go but I got to say bye-bye, baby
Now, your love it gets me high and I don't wanna
Let you go but I got to say bye-bye, bye baby
Just being one of your girls won't do, it won't do 'cause eventually
Eventually, I'ma want all of you, I'ma want all of you, I just gotta be
Real with myself, I got to be real, gotta cut it off, oh boy
Though it's hard for me to break up with you
Now, your love, it gets me high and I don't wanna
Let you go but I got to say bye-bye, baby
Now, your love it gets me high and I don't wanna
Let you go but I got to say bye-bye, bye baby
Now, your love, it gets me high and I don't wanna
Let you go but I got to say bye-bye, baby
Now, your love it gets me high and I don't wanna
Let you go but I got to say bye-bye, bye baby
Now, your love, it gets me high and I don't wanna
Let you go but I got to say bye-bye, baby
Now, your love it gets me high and I don't wanna
Let you go but I got to say bye-bye, bye baby
