

# Bye-Bye

## SunSet Swish

We can't even be friends 'cause every time I see you  
We be doing things that we should not be doing 'cause boy  
You got a girlfriend, girlfriend, even though the sex is so damn good  
    I feel so bad, gotta try my best to resist it  
    What am I doing here? That's what I ask myself  
    'Cause every time I see my face in the mirror  
        I see me and you and someone else  
    Now, your love, it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, baby  
    Now, your love it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, bye baby  
    We can't even hang out 'cause boy, the more we kick it  
        The more I feel like this is not what it's all about  
    Boy, you're already taken, taken and although I love you  
    I hate the fact that she is with you while I play the kickstand  
        What am I doing here? That's what I ask myself  
        'Cause every time I see my face in the mirror  
        I see me and you and someone else  
    Now, your love, it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, baby  
    Now, your love it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, bye baby  
    Just being one of your girls won't do, it won't do 'cause eventually  
    Eventually, I'ma want all of you, I'ma want all of you, I just gotta be  
        Real with myself, I got to be real, gotta cut it off, oh boy  
        Though it's hard for me to break up with you  
    Now, your love, it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, baby  
    Now, your love it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, bye baby  
    Now, your love, it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, baby  
    Now, your love it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, bye baby  
    Now, your love, it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, baby  
    Now, your love it gets me high and I don't wanna  
        Let you go but I got to say bye-bye, bye baby
