

Just Another Girl

The Killers

Step out into the Indian dust
I can feel the cracks in my spirit
They're starting to bustDrive by your house, nobody's home
I'm trying to tell myself that I'm better off aloneAll of my friends say I should move on
She's just another girl, don't let her stick it to your heart so hard
And of all my friends say it wasn't meant to be
And it's a great big world, she's just another girlI went to see a fortuneteller, that was a trip
Maybe this confusion's got me losing my grip
I can't believe you're out there flying with somebody elseNow Jason's getting married in the blink of an eye
I got an invitation but I didn't reply
Tell your little brother that we put down the gloves
And give him all of my loveAll of my friends say I should move on
She's just another girl, don't let her stick it to your heart so hard
And all of my friends say it wasn't meant to be
And it's a great big world, she's just another girlI could be reeling them in left and right
Something's got a hold on me, tonight
Well maybe all of my friends should confront
The fact that I don't want another girlAll of my friends say I should move on
All of my friends say
All of my friends say
All of my friends say
She's just another girlThen why can't I sleep at night
And why don't the moon look right
The sounds up, the TV's on
And it's a great big worldShe's just another girl,
Don't let her stick it to your heart, boy
She's just another girl
All of my friends say she's just another girl
Another girl
