

I Need You

TiMO ODV

Sometimes it's time that's running away
All the days, these words I don't know what to say
I keep on makin' the same mistakes
I blame you, you blame me will this ever change Oh oh oh I need you
I want you
Oh oh oh oh I need you
I want you Weeks in 'n weeks out everything is all set
I saw you in the club all just to catch my name
I keep on makin' the same mistakes
I blame you, you blame me will this ever change Oh oh oh I need you
I want you
Oh oh oh oh I need you
I want you Oh oh oh I need you
(What you want, what you need)
I wan't you
Oh oh oh oh I need you
I want you
What do I do
What do I say
Without you it won't be the same
I need you
I I I want you
I need you
I I, oh Oh oh oh I need you
I want you
Oh oh oh oh I need you
I want you Oh oh oh I need you
I want you (What you want, what you need)
Oh oh oh oh I need you
I want you
