

# LDN(Warbox Original Dub)

## Lily Allen

Riding through the city on my bike all day  
Cause the filth took away my licence  
It doesn't get me down and I feel okay  
Cause the sights that I'm seeing are priceless Everything seems to look as it should  
But I wonder what goes on behind doors  
A fella looking dapper, but he's sittin' with a slapper  
Then I see its a pimp and his crack whore You might laugh you might frown  
Walkin' round London town Sun is in the sky oh why oh why?  
Would I wanna be anywhere else  
Sun is in the sky oh why oh why?  
Would I wanna be anywhere else When you look with your eyes  
Everything seems nice  
But if you look twice  
You can see its all lies There was a little old lady, who was walkin' down the road  
She was struggling with bags from Tesco  
There were people from the city havin lunch in the park  
I believe that it's called AL fresco  
Then a kid came along to offer a hand  
But before she had time to accept it  
Hits her over the head, doesn't care if she's dead  
Cause he's got all her jewelery and wallet You might laugh you might frown  
Walkin' round London town Sun is in the sky oh why oh why?  
Would I wanna be anywhere else  
Sun is in the sky oh why oh why?  
Would I wanna be anywhere else When you look with your eyes  
Everything seems nice  
But if you look twice  
You can see its all lies Life, yeah that's city life, yeah that's city life, yeah that's city life  
Life, yeah that's city life, yeah that's city life, yeah that's city life Sun is in the sky oh why oh why?  
Would I wanna be anywhere else  
Sun is in the sky oh why oh why?  
Would I wanna be anywhere else  
Sun is in the sky oh why oh why?  
Would I wanna be anywhere else  
Sun is in the sky oh why oh why?  
Would I wanna be anywhere else When you look with your eyes  
Everything seems nice  
But if you look twice  
You can see its all lies When you look with your eyes

Everything seems nice  
But if you look twice  
You can see its all lies
