

# Carry You Home

James Blunt

Trouble is her only friend and he's back again  
Makes her body older than it really is  
And she says it's high time she went away  
No ones got much to say in this time  
Trouble is the only way is down, down, down

As strong as you were  
Tender you got  
I'm watching you breathing  
For the last time  
A song for your heart  
But when it is quiet  
I know what it means  
And I'll carry you home  
I'll carry you home

If she had wings she would fly away  
And another day god will give her some  
Trouble is the only way is down,down,down

As strong as you were  
Tender you got  
I'm watching you breathing for the last time  
A song for your heart  
But when it is quiet  
I know what it means

I'll carry you home  
I'll carry you home

And they all want pretty  
New York City lights  
And summers little girl has been taken from the world tonight  
But the stars and stripes

As strong as you were  
Tender you got  
I'm watching you breathing for the last time  
A song for your heart  
But when it is quiet

I know what it means  
And i'll carry you home

As strong as you were  
Tender you got  
I'm watching you breathing for the last time  
A song for your heart  
But when it is quiet  
I know what it means  
And I'll carry you home

I'll carry you home
