To Hell and Back Again (2009 Remaster)

Saxon

How long must I stay
How long must I go on
Taking my chances on burning away
Don't take away my daylight
Don't take away my dreamWhy must I go
To hell and back again
To hell and back again
To hell and back again
To hell and back againWill I make the morning
To see another day
The Gods may come at midnight
They're taking me away
I'm waiting here on death row
I pray for my reprieveWhy must I go
To hell and back again
To hell and back again
To hell and back again
To hell and back againThe chaplain and the gardener
Have told me how to die
I've used up all my chances
Now's the time to cry
For I can hear the footsteps
The lights have just gone dim
I'm on the final journeyWhy must I go
To hell and back again
To hell and back again
To hell and back again
To hell and back againWill I make the morning
To see another day
The Gods may come at midnight
They're taking me away
I'm waiting here on death row
I pray for my reprieve
Why must I go
To hell and back again
To hell and back again
To hell and back again
To hell and back againThe chaplain and the gardener
Have told me how to die

I've used up all my chances
Now's the time to cry
For I can hear the footsteps
The lights have just gone dim
I'm on the final journeyWhy must I go
To hell and back again
To hell and back again
To hell and back again
To hell and back again
