Clear

Berner

Roll the windows down, let the smoke clear x 4
Aha,
Roll the windows down, and let them know the shit that im smoking is not around,
I'm highside fool melt bubble make the jay burn slower,
Two week flush, i'm a plush weed grower,
White ashes, white ashes,
That's right i brought the right package,
Room look like NASA, hundered grand set-up,
More than 99, yeah ihad to get my bread up,
Levi jeans and my fresh gold zipper,
Brand new ink, yeah i just got hit up,
Khalifa kush, yeah i just got lit up,
Hundered pack a cookie and a train up,
Bern been about big money, since i saw my first bag,
And i'm on raw papers, i don't want no zag,
I'ma smile when it comes to my smoke,
Cos unflushed weed aint good for yo throat,
Now roll some!Hook:
I roll it for the pound and I wont share
roll the windows down that the smoke clear
she says too smokey and theres no air
roll the windows down that the smoke clear
I spend a hundred thou like I dont care
roll the windows down that the smoke clear
I pull up with a joint behind both ears
roll the windows down that the smoke clearI roll the windows down, and pull up smelling like a pound of crazy loud
I told her that the brand new truck will make me proud
and let the money palm smoking good Im out of town
she says too smoky in the whip shes chocking
well you dont get high when you cough when you smoking
I double up my dosis, bottle this mimosis
house by the beach and wake up the smell the ocean
Ima OG weed growing king what youre rolling
cause you aint got shit and when Im holding
I let the yellow hash smell on a hot skilly
and brought the twenty pack with me
when I pack in the visit Ima get it now
hold it in when is time to hit it,

cause thats the kay kay not admit it that youre twisting
I tell em take the listen Im nice in the kitchen
wash the ice glisten is the life that Im living
now roll some!Hook:
I roll it for the pound and I wont share
roll the windows down that the smoke clear
she says too smokey and theres no air
roll the windows down that the smoke clear
I spend a hundred though like I dont care
roll the windows down that the smoke clear
I pull up with a joint behind both ears
roll the windows down that the smoke clear
