

# I Fixed It Up With Jesus (This Holiday)

## Keith Johnson & The Spiritual Voices

I Fixed it up with Jesus this Holiday  
Keith Wonderboy Johnson

1. I fixed it up with Jesus this holiday  
I fixed it up with Jesus this holiday  
All of my days were dark as night  
Because my soul just wasn't right  
But I fixed it up with Jesus this holiday

I made peace with my enemies this holiday  
I made peace with my enemies this holiday  
When I say hi to someone and they turn  
their nose up at me I can put a smile on my face  
God's the only friend I need I learned to love  
My enemies this holiday

I learned to be a little more humble this holiday  
I learned to be a little more humble this holiday  
I learned there's no big I and little you cause in  
God's army we all got work to do  
I learned to be more humble this holiday

Repeat verse 1

Vamp 1: I fixed it up with Jesus

Vamp 2: I fixed it

Adlib: It wasn't that long ago, I came to Jesus, just as I was,  
I said Lord here am I, use me lardy, and I'm glad about it,  
I'm not what t want to be, but thank God I'm not  
What I use to be, one of the best things I ever done, I put the  
Love of Jesus in my heart.

Vamp2: I fixed it, I fixed it, 2xs, fix it up with Jesus 2xs, put the love of Jesus,  
Down in your heart, that's the greatest gift. gift of all, can I get a witness 2xs,  
For you young people, you're not to young, to fix it up, with my Jesus, the Lord  
Looking at your heart, not at your age, fix it up
