Something For Nothing

Retard-O-Bot

No trust and no know
Whatever I had but never again
Nothing was meant
Whatever I say goes right to your head
Something's got to give right now
Nothing can stop me and this I know
But at times...
It's hard to keep my head upOh! Don't think so!
You can't get something for nothing
But you won't let it goOh! Don't think so!
You can't get something for nothing
And you won't let it goFuck you my friend
Whatever you've heard is probably true
I know that what you say
Well then I hear it tooSomething's got to give right now
Nothing can stop me and this I know
But at times...
It's hard to keep this shit upOh! Don't think sooooooooooo!Oh! Don't think so!
You can't get something for nothing
But you won't let it go
~~~~~~(musicalness)
Oh! Don't think so!
You can't get something for nothing
But you won't let it goOh! Don't think so!
You can't get something for nothing
And you won't let it goNo trust and no know
Whatever I had but never again
Nothing was meant
Whatever I say goes right to your head
Something's got to give right now
Nothing can stop me and this I know
But at times...
It's hard to keep my head upOh! Don't think soooooooo!Oh! Don't think so!
You can't get something for nothing
And you won't let it go
