Young Hearts

COMMUTER

Try to make it last nothing you can do
In a photograph, waoh
The innocence you thought youd lost
Is staring back at you
Young hearts beat fastDriving down the road
Young hearts die young
Rubber, plastic, metal, glass
Why did you have to go?When they are all alone
And there is no turning back now
There is no turning back
There is no turning backIts coming in to you
Knowing where youre bound
The innocence you thought youd lost
Is now caught up to you
Then you turn aroundYoung hearts beat fast
Ooh, ooh, ooh
Driving down the road
Rubber, plastic, metal, glass
Why did you have to go?Young hearts die young
When they are all alone
And there is no turning back now
Ooh, ooh, ooh
Young hearts beat fastDriving down the road
Rubber, plastic, metal, glass
Young hearts die young
Why did you have to go?When they are all alone
And there is no turning back now
Never time to die time enough to live
All you had to give
Taken by the one you loved and given to a lie
Why? Young hearts beat fastRubber, plastic, metal, glass
Driving down the road
Young hearts die young
Why did you have to go?When they are all alone
And there is no turning back now
Wa, ha, hauYoung hearts beat fast
Driving down the road
Rubber, plastic, metal, glass
Why did you have to go?

Young hearts die young
Wa, ha, hauWhen they are all alone
And there is no turning back nowYoung hearts beat fast
Driving down the road
Rubber, plastic, metal, glass
Why did you have to go?When they are all alone
And there is no turning back now
Young hearts die young
Wa, ha, hauYoung hearts beat fast
