

Guy With A Guitar

Mishka

Well I'm not a preacher
I'm not a politician
If I reach ya
It's cause ya happen to listen I'm just a guy with a guitar
singing a song for you
I'm just a man with a musical vibration flowing through I'm not a soldier
I'm not a gangsta
I search my soul a
To find a answer yeah I'm with a guy with a guitar
Singing a song for you
I'm a man with a musical vibration flowing through I'm a sailor
I'm a rock 'n' roller
I'm a wailer
come here to rock your soul yeah Cause I'm your brother
Yeah I'm your friend
I'm a lover
Cause there ain't no end See we can never part
That's not a maybe
I aint no weak heart
But I'm a cry baby And I'm a cry baby baby I love you
Yeah I'm a cry baby baby I love you
Oh I'm a cry baby baby for your love so true
Ah yeah I'm guy with a guitar
Singing a song for you
