God Is Able

The Truthettes

God is able, God is able
God is able and He won't fail
Tell me who can make a mountain
Move out of my way
And who can make a miracle
Because of my faith
And when the doctor says no
Who can still say yes
And when I'm in trouble
Who's right there to help me pass every test
God is able, God is able
God is able and He won't fail
Tell me who can make a river
Out of a little stream
And who can tell the clouds
To roll back so that the sun can look at me
And who can tell the wind to whistle through the trees

And when I'm in trouble who is the same God
That will come down and rescue me
God is able, God is able
God is able and He won't fail
He won't fail
He won't fail
Don't you dare give up
Don't you dare give in
God won't fail
God is able, God is able
Tell you God is able and He won't
God won't, He won't fail
God won't, He'll never leave
Never forsake you
No He won't fail
He'll be there till the end
God won't fail, He won't fail
