

# Holding Out For A Hero

Jennifer Saunders

Where have all the good men gone  
And where are all the gods?  
Where's the street-wise Hercules  
To fight the rising odds?  
Isn't there a white knight upon a fiery steed?  
Late at night I toss and turn and dream  
of what I need  
[Chorus  
I need a hero  
I'm holding out for a hero 'til the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be larger than life  
larger than life  
Somewhere after midnight  
In my wildest fantasy  
Somewhere just beyond my reach  
There's someone reaching back for me  
Racing on the thunder and rising with the heat  
Isn't there a superman to sweep me off my feet?  
[Chorus] I need a hero  
I'm holding out for a hero 'til the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be larger than life  
Up where the mountains meet the heavens above  
Out where the lightning splits the sea  
  
I could swear that there's someone somewhere  
Watching me  
Through the wind and the chill and the rain  
And the storm and the raging flood  
I can feel his approach  
Like the fire in my blood  
Ill meet a hero  
And then we'll dance till morning light  
Dreaming he'll lead me,  
Held tight tonight's the night  
[chorus] I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life

larger than life

ohhhh

Larger than life

larger than life

Oh Maybe

Maybe

Maybe tonight

Oh who oh
