

Sub-Mission

Sex Pistols

I'm on a submarine mission for you baby
I feel the way you were going
I pictured you up on my TV screen
I feel your undercurrent flowing
Submission going down down
Dragging me down
Submission I can't tell ya what I've found You've got me pretty deep baby
I can't figure out your watery love
I gotta solve your mystery
You're setting it out in heaven above Submission going down down
Dragging me down
Submission I can't tell ya what I've found For there's a mystery
Under the sea
And an octopus rock
Under the water Submission going down down
You're dragging me down
Submission I can't tell ya what I've found An underwater secret
Baby! oh, share it! I'm on a submarine mission for you baby
I feel the way you were going
I pictured you up on my TV screen
I feel your undercurrent flowing
Submission I'm going down down
Dragging me down
Submission I can't tell ya what I've found What I've found
Submission
Submission
Submission
I'm falling down
You're dragging me down
Under the sea
