

Take Me To Church

The Agonist

Amen

AmenTake me to church

I'll worship like a dog at the shrine of your lies

I'll tell you my sins so you can sharpen your knife

Offer me that deathless death

Good God, let me give you my lifeTake me to church

I'll worship like a dog at the shrine of your lies

I'll tell you my sins so you can sharpen your knife

Offer me that deathless death

Good God, let me give you my life

If I'm a pagan of the good time

My lover's the sunlight

To keep the goddess on my side

She demands a sacrifice

Drain the whole sea

Get something shinySomething meaty for the main course

That's a fine-looking high horse

What you got in the stable?

We've a lot of starving faithful

That looks tasty

That looks plenty

This is hungry workTake me to church

I'll worship like a dog at the shrine of your lies

I'll tell you my sins so you can sharpen your knife

Offer me my deathless death

Good God, let me give you my life

Take me to church

I'll worship like a dog at the shrine of your lies

I'll tell you my sins so you can sharpen your knife

Offer me that deathless death

Good God, let me give you my lifeNo masters or kings when the ritual begins

There is no sweeter innocence than our gentle sin

In the madness and toil of that sad earthly scene

Only then I am human, only then I am cleanAmen

Amen

AmenTake me to church

I'll worship like a dog at the shrine of your lies

I'll tell you my sins so you can sharpen your knife

Offer me that deathless death

Good God, let me give you my lifeTake me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins so you can sharpen your knife
Offer me that deathless death
Good God, let me give you my lifeTake me to church
Take me to church
Won't you take me?
Take me to church
