

Come Undone

My Darkest Days

My immaculate dream,
Made of breath and skin,
I've been waiting for you,
Signed with a whole tattoo,
Happy birthday to you,
Was created for you I can't help but keep from falling apart,
At the seams,
I cannot believe you're taking my heart,
To pieces Ohh it might take a little time,
Might take a little crime,
To come undone,
Now we'll try to stay blind,
To the hope and fear outside,
Hey child, stay wilder than the wind, can blow me in,
To crime,
Who do you need,
Who do you love,
When you come undone Who do you need,
Who do you love,
When you come undone Words,
Play me deja vu,
Like a radio tune,
I swear I've heard before,
She'll,
Resist something real,
Or the magic in feeding,
Off your fingers I can't help but keep from falling apart,
At the seams,
I cannot believe you're taking my heart,
To pieces Lost,
In a self filled sky,
Might make it alright,
To come undone,
Now, we'll try To stay blind,
To the hope and fear outside,
Hey child, stay wilder than the wind, can blow me in,
To crime,
Who do you need,
Who do you love,

When you come undone Who do you need,
Who do you love,
When you come undone. I can't help but keep from falling apart (apart)
At the seams (who do you need)
I cannot believe you're taking my heart (who do you love)
To pieces
I can't help but keep from falling apart,
At the seams, (who do you love)
I cannot believe you're taking my heart to pieces
