

# Face Off (feat. Anthony B)

## Gentleman

Fire-starter blaze it  
What me seh we fi do put down put down the gun deh  
Oh yes this is gentleman and Anthony B.  
This is not a story this is reality You nuh have no time fis this no time fi dat  
Nu time fi listen just a chat face off  
Always wearing a mask  
No time fi love no time fi joy  
Squeeze your trigger like a toy  
Ease off-before you come to past...Dutty works dutty pay  
Just like a candle you will melt away  
If you could hear waht you say  
Me think you never woulda act this way  
You tell me you a gunman  
You nuh care who you turn your gun pon  
Any guy disrespect you dun one  
Hey Mr. Badman the fire nuh stop bun pon You nuh have no time fis this no time fi dat  
Nu time fi listen just a chat face off  
Always wearing a mask  
No time fi love no time fi joy  
Squeeze your trigger like a toy  
Ease off-before you come to past...Hey stop the killin' killin' killin'  
You nuh hear seh me nuh want no blood spillin' spillin' spillin'  
You go murder your brother for a shillin' shillin' shillin'  
Hey bloodsucker try fi escape me take the firebun  
Tell you stop the ism and you tell me seh you caan  
Tell you fi do better and you tell me seh you nuh  
Like a sirene you just a waan waan waan  
Better you go left the dutty glock outta your draw  
Haga your muma and a dogga your pa  
Like a wild animal you njam tings raw  
Dadder than the riddim wha dem call catpaw  
Anthony B. Come school the outlaw You nuh have no time fis this no time fi dat  
Nu time fi listen just a chat face off  
Always wearing a mask  
No time fi love no time fi joy  
Squeeze your trigger like a toy  
Ease off-before you come to past...Too much blood runnin'  
Me nuh dem spend no time pon lovin'  
Woman ball seh dem

Every man seh dem a badman hafi deh pon the street out dem turingRight ya know you buring and you soon a  
burn out  
Take a left turn and you gone the wrong road  
Sucking out the food outa the suckeling mouth  
Man you doing wrong and there is no dought aboutYou nuh have no time fis this no time fi dat  
Nu time fi listen just a chat face off  
Always wearing a mask  
No time fi love no time fi joy  
Squeeze your trigger like a toy  
Ease off-before you come to past...Put down put down put down put down the gun deh  
Stop stop stop stop stop spoil the youths dem fun dehDutty works dutty pay  
Just like a candle you will melt away  
If you could hear waht you say  
Me think you woulda never act this waySo make me warn dem make we teach dem make we show dem how  
believe  
Nuh go down 'cause we always positive  
Yo-hail rastafari burn the dirty bridgeTell you stop the ism and you tell me seh you caan  
Tell you fi do better and you tell me seh you nuh  
Like a sirene you just a waan waan waan  
Better you go left the dutty glock outta your draw  
Haga your muma and a doga your pa  
Like a wild animal you njam tings raw  
Dadder than the riddim wha dem call catpaw  
Anthony B. Come school the outlawYou nuh have no time fis this no time fi dat  
Nu time fi listen just a chat face off  
Always wearing a mask  
No time fi love no time fi joy  
Squeeze your trigger like a toy  
Ease off-before you come to past...Rastafari!
