# You Knock Me Out

## R. Kelly

You got, you got, you got
Come on baby and show me what you got
Come on baby
(Don't be shy, no, don't be shy)
Let the music hypnotize youYou got me feelin' good
From head to feet like I knew you would
Baby, Heaven must have broken the fall
'Cause girl your love is out of controlAnd it's caught up in you
'Cause don't, don't nobody do me like you do, yeahYou hit me
You knock me out
Yeah, you hit me
You knock me outAnd it's caught up in you
'Cause don't know nobody do me like you doCome on, come on baby
Come on, come on baby
Come on
(Dance with me baby, dance with me baby)
Oh, come on babyLike the father's house on Sunday morn
You give me joy
Like victory after the war
I'm comin' home baby to ya girlIn this corner in you
'Cause can't nobody do me like you doYou hit me
Said, you knock me out
You hit me
Girl, you knock me outIn this corner in you
(I'm the champ)
'Cause can't nobody do me like you doDance with me baby
Dance with me baby
Dance with me baby
Dance with me baby
Come on dance with me babyListen to me
Hey, listen to me
Ooh, the melody
Oh girl, it's you
'Cause can't nobody do me like you doYou hit me
Girl, you knock me out
Yes, you did
You hit me
Oh baby
You knock me outIn this corner in you

(I'm the champ)
'Cause can't nobody do me like you doLike a speed train in the way
You hit me baby
You knock me out
