

Stars Over Texas

Tracy Lawrence

As you lie in my arms, girl, my heart's on my sleeve
Words come so hard in moments like these
There's feelings I have that are so hard to show
But right now there's one thing I want you to know
As long as the tides ebb the earth turns, the sun sets
I promise Ill always be true
And as long as there's stars over Texas
Darling, Ill hang the moon for you
I know I have stumbled and caused you some tears
When you needed me most I havent always been here
I know Im not always the man I should be
But dont ever wonder what you mean to me
As long as the tides ebb the earth turns, the sun sets
I promise Ill always be true
And as long as there's stars over Texas
Darling, Ill hang the moon for you
And as long as there's stars over Texas
Darling, Ill hang the moon for you
Darling, Ill hang the moon for you
