Alleged

Unsane

Get out
some people live in the place,
my block,
can you guess my race,stuck up
he got hit on the groundcome herewere going down town
were going down town
that's our rentthat block
some people look out of place
you're lost
within a state of disgrace
no god, you can't keep what I found
come here
we're going down town
we're going down townthat's our rent
