Lie to Me (Denial)

Red

Tell yourself it's over now
Try to kill a broken vow
If only you could find the strength
To kill the memoriesThese empty pages never turn
You lit the flame and let them burn
You tried to bury me so deep
But what lies beneathWill your hope die alone?
Will you fade on your own?
Can you just turn away
And let me go?Lie to me if you can feel
That this love was never real
Walk away
If you can learn to love againLie to me if you can leave
I'll still be here when you see
You're not alone
You don't have to run again
And leave me in denialAll your secrets crawl inside
You keep them safe, you let them hide
You feel them drinking in your pain
To kill the memoriesSo close your eyes and let it hurt
The voice inside begins to stir
Are you reminded of all you used to be?
Can you just turn away and let me go?Lie to me if you can feel
That this love was never real
Walk away
If you can learn to love againLie to me, watch me bleed
Yes, I'll still be here when you see
You're not alone
You don't have to run again
And leave me in denialAll the pain that you feel
It starts to grow inside
It lives again
And you can't let it dieSo do you believe you'll never find
A reason to love again?Lie to me, watch me bleed
I'll be here when you see
You're not alone
You don't need to runLie to me, watch me bleed
I'll still be here when you see
You're not alone

You don't have to run again
And leave me in denialIf you can learn to love again
Leave me in denial
If you can learn to love again
And leave me in denialYeah, yeah, yeah, yeah
